COLLABORATION LETTER

Chicoutimi, November 30th, 2006

Mr John Sabau
Insoil Canada Ltd.
321 Hampshire Place NW, Calgary, Alberta
Tel (+1) 403-547-0103
Email : jsabau@insoil.ca

Dear Mr John Sabau,

In my quality of chair of the Canada Research Chair ISOLIME, I would like to confirm my interest in collaborating with Insoil Canada Ltd. Your recent visit here has provided an excellent opportunity to discuss some research collaboration projects on the fundamental studies of the aging/degradation of insulating oils used in power transformers.

Learning about InsOil's achievements, I sincerely believe that your experience will provide an opportunity for you to contribute your expertise to our common research projects.

Sincerely,

Prof. Issouf Fofana, Chairholder
Canada Research Chair tier 2 on Insulating Liquids
and Mixed Dielectrics for Electrotechnology
